AK4812 TANKER TECHNIQUES MAGAZINE
ISSUE 02 EXTRA ARMOR

9€

English, Spanish, French, Hungarian. 104 pages.

Many asked themselves if it was at all possible to attain the level of quality achieved in the first issue. Well, in this second issue, the level is even higher, with 104 pages dedicated to more amazing armor, with reference sections, specialized techniques, product map, and our famous school of techniques. A must have magazine for lovers of military and civilian vehicles, and for modellers who love quality modelling.

In this new issue, we will show you how you can improve your model, and customize it to create a desired appearance. Some of the best modellers in the world show us their secrets and specialized techniques.

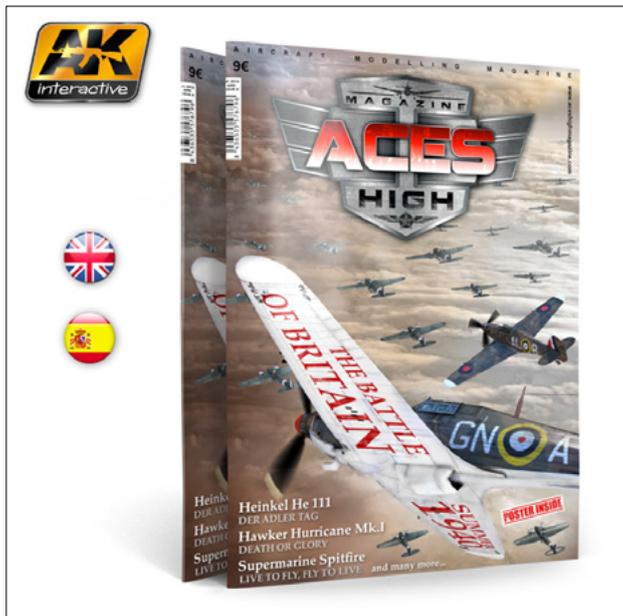

AK2910 ACES HIGH MAGAZINE ISSUE 06 THE BATTLE OF BRITAIN

9€

English, Spanish. 84 pages.

There has already been 6 issues of our magazine dedicated to military aircraft, and we are now seen as one of the best aircraft magazines worldwide. Under the editorship of Daniel Zamarride and his team of collaborators, in this edition we will take you directly back to the The Battle of Britain. The magazine contains artwork from Romain Hugault, and many detailed articles of the highest quality, with clear photography.

In this new issue we will concentrate on one of the most important air battle of all times, The Battle of Britain. This time, we have a new techniques section, plus the addition of historical content that has been included, taking you directly to the atmosphere of summer, 1940.

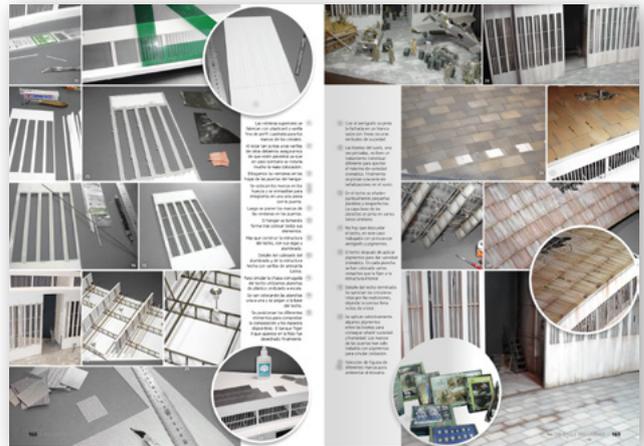

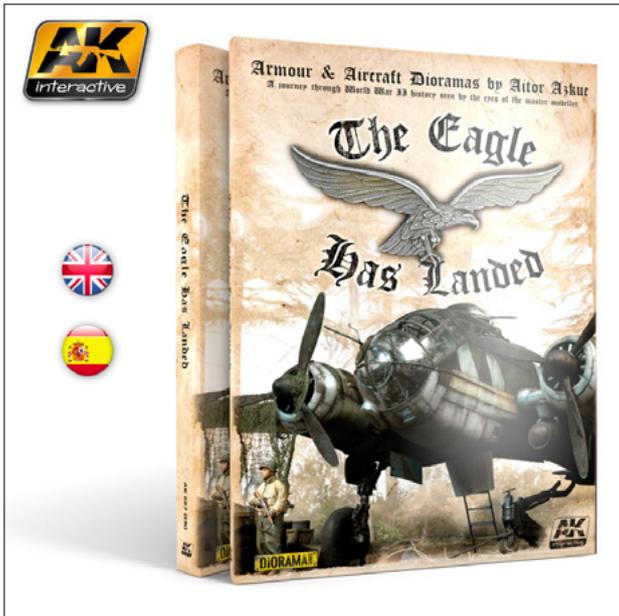

AK687 THE EAGLE HAS LANDED

39.50€

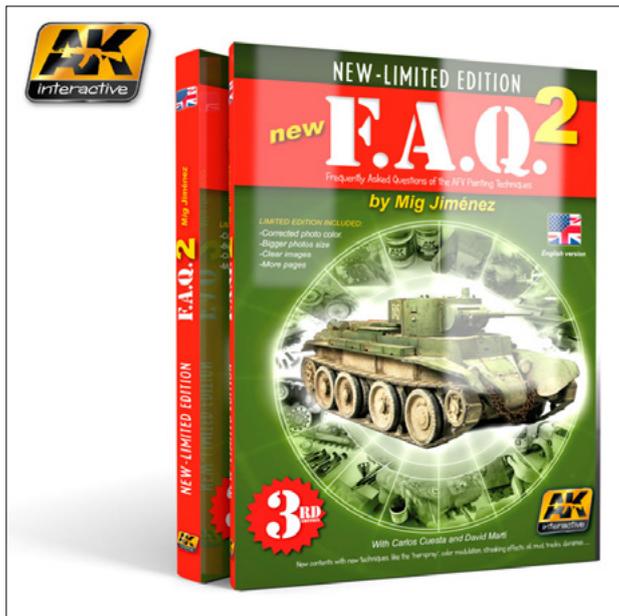

English, Spanish. 292 pages.

If there is one modeller that has distinguished himself over the last decade, due to his amazing dioramas, it is Aitor Azkue. This book shows off the very best of all of his work. With spectacular dioramas, more than 1800 images, step by step guides, and all of his tricks described in detail, there is no book quite like this. Inside the 292 pages of this essential book, there are 10 complete dioramas looked at in total detail.

A wonderful and instructive book, made to teach and serve as inspiration. With the most impressive dioramas based upon real scenes, and complete step by step guides by one the world's very best modellers.

AK038 F.A.Q. 2 THIRD EDITION

57€

English. 320 pages.

The third edition of our best-seller, first published by AK four years ago, and available in a limited edition for this Christmas. Considered as the modelling bible for military vehicles, containing all the modern techniques that you need, to raise your modelling to the very highest level. This title is suited for beginners and the advanced modeller alike.
