

## AK 677 NEUTRAL GREY WASH

A basic wash that is useful for many colors, ranging from metallics to red, yellow, blue etc. A must have for vehicles, figures and sci-fi lovers.

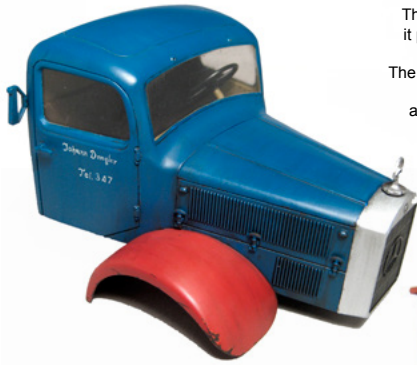

Choose the surface on which we want highlight the details.

With a rounded brush mark the details.

Once dry you can paint a second layer if necessary, then with White Spirit remove the product excess.

Apply the next weathering processes as we wish until achieved the desired effect.

The formula of this color makes it perfect for many vehicles and figures. The way to apply is like any other wash and it can be softened and reworked with White Spirit as usual.
