AK INTERACTIVE
THE APP FOR THE SCALE
MODEL LOVERS

INSIDETHEAPP INTRO

AK INTERACTIVE THE WEATHERING BRAND APP

AK Interactive APP is the definitive FREE resource for modellers to learn the best techniques. **OUR GOAL IS YOUR KNOWLEDGE.**

Within this APP, you will find TONS of FREE material, and also our award-winning titles in books and magazines. Our aim is to deliver the best modelling techniques to all modellers, and teach them how to achieve the most realistic results, without complicated or time-consuming methods.

Just imagine, for example, that you want to add some mud or dust to your scale model. You go to the APP and check out that specific technique with the search engine feature, finding the exact products that you will need to achieve that result, as well as a guide on HOW TO USE them, and a video showing how those effects are applied. This APP is meant for all of us who enjoy and love this great hobby, and who want answers immediately on hand.

AK: First off let's start with the obligatory questions of how old you are, where you live, and how long have you been building models? How long has it been since you really started to get involved in modeling on a more serious level? How old were you?
KP: I'm 36 years old and live together with my girlfriend and my son in the North-East of Belgium.
AK: I'm modeling over 27 years now and got serious in the mid 90's when I was around 20 years old.

AK: What is your favourite drink?
KP: Belgian Beer!

AK: What is your favourite food?
KP: Real Belgian fries with mayonnaise.

AK: How active are you in the modeling community such as frequenting the boards, going to shows, entering those shows, model club meetings, group builds, etc.
KP: I quite active, I'm a proud member of K3AK the Blue-shirt and travel to many shows.

AK: Where do you see the modeling industry to be in 10 years from right now. Where are we headed?

AK: What are your general thoughts of what goes on in the forums?

AK: Do you have friends who also share a passion for modeling like you do? What percentage of your friends are modelers themselves?
KP: 50%.

AK: What is your favorite subject to model?
KP: Armour.

AK: On a scale of 1-10 with 10 being the most, how serious are you about modeling?
KP: 10.

AK: How well does the term "Modeling Nerd" apply to you? You may ask yourself what I mean by "Modeling Nerd" so let's put it this way, when you hear the term "Naked Model", what comes to your mind first, an

own companies in the modeling industry. Now that you have their attention, without calling them out by name, let me in broad and respectful terms what would you like to say to the people involved with the business side of the hobby? What are they doing right? What are they doing wrong? What would you like to see them do? The floor is yours.
KP: Listen to the people who buy your products, and learn from firsthand experience how to improve your products.

with like-minded people is not necessarily a bad thing. With that being said, is there anything you'd like to say to those who can't disagree and debate in a respectful manner on the forums and instead just try to belittle others and make them look foolish while simultaneously letting the world know just how wonderful they think they are?
KP: Go somewhere else.

COMPANY

AK Interactive has grown thanks to the help of many modelers to become one of the biggest brands for scale modeling painting, weathering and effects.
